Dear Sirs

**Clarification – ASX Header Title “Goulamina Drilling Update”**

Birimian Limited (ASX: *BGS*) wishes to advise that the header title of the ASX Announcement concerning Goulamina drilling results issued earlier today incorrectly referred to “Corrected Goulamina Drilling Update”.

The results described in the announcement are correct and the header title should have read “Goulamina Drilling Update”. Birimian apologies for any confusion caused by this error.

Yours sincerely

**Greg Walker**  
Executive Director and Chief Executive Officer  
Birimian Limited
